*CISS Academy for Skills Human Development Pvt. Ltd.*

CISS Academy for Skill & Human Development Pvt. Ltd., headquartered in Gandhinagar, Gujarat, is recognized for its remarkable contribution to professional security training and human resource development in India.

Established on 4th February 2011, the academy has been a pioneer in creating a skilled, ethical, and disciplined security workforce through comprehensive, practical, and industry-aligned training programs. With a team of certified trainers from defence, police, and corporate backgrounds, CISS Academy integrates physical training, fire safety, first aid, disaster management, and cyber security into its curriculum. Its strategic partnership with Rashtriya Raksha University (RRU) and MEPSC reflects a strong commitment to national skill standards, capacity building, and innovation.

Through initiatives such as Recognition of Prior Learning (RPL) under PMKVY, and the establishment of a DGCA-certified Drone Training RPTO, CISS Academy continues to set benchmarks in advancing India's private security ecosystem through education, empowerment, and excellence.

CAPSI is proud to honour you with the
